**Gallery**

Please add your picture to this gallery so that we can better learn each other's names. See the Gallery Instructions.

![Karl Lieberherr](image1.jpg)

Karl Lieberherr, your instructor. I like the topic of programming languages and together with my research group we have thought a lot about how to improve them and use them properly. One such "proper use" activity has been the Law of Demeter. See Karl's home page for further information.

![Jesse Tov](image2.jpg)

Jesse Tov, your TA. See Jesse's home page.

![Graham Higgins](image3.jpg)

Graham Higgins.
